Summer Holiday Homework

CLASS – III

Dear Parents,

Greetings from GDGPS, Unnao

As parents, it is important to invest your time in children now. To cherish these moments, here is a list of

suggested activities, which you can enjoy with your children.

- Establishing a weekly tradition like storytelling, cooking together, etc.
- Encourage your child to engage more in drawing, music, dance, to nurture their imagination.
- Letting the child care for a small plant
- Watching Educational Documentaries or visiting a museum
- Acknowledge your child's efforts, no matter how small, to boost their confidence

Dear Students,

Summer break is a wonderful opportunity to relax, recharge, and refocus. It's a time to learn more of things with the help of your parents like :

- Learning basic cooking skills
- Learning to keep your room organized
- Reading story books
- Taking care of a small plant
- Understanding cyber safety

To make the most of your summer break, we've prepared a set of engaging activities and worksheets that will keep you productively occupied. These activities will help you stay connected to learning, explore new concepts, and have fun while doing so.

Points to Remember:

- All the sheets should be well labelled.
- The work should be done neatly under the supervision of parents.
- The work in different subjects should be handed over to the concerned subject teacher latest by **13th July, 2025**.
- Revise the syllabus for UT 1 provided at the last of the document.
