Summer Holiday Homework

CLASS – KG

Dear Parents,

Greetings from GDGPS, Unnao!

Summer is a special time to bond with your little ones. At this tender age, children learn best through fun, play, and love. Here are some joyful activities you can do together to make the most of this summer:

- Spend time telling simple, fun stories with actions and expressions.
- Sing rhymes and songs together or enjoy simple dance moves.
- Encourage your child to scribble, colour, and do simple craft work.
- Let them water a small plant daily and watch it grow.
- Watch short, age-appropriate educational videos or visit a nearby park.
- Praise your child often to build their confidence and joy in learning.

Dear Children,

Happy Summer Holidays!

It's time to enjoy, play, and learn new things in a fun way. With the help of your parents, try doing these activities:

- Listen to lovely stories and rhymes.
- Try helping in small ways like tidying up toys.
- Water a plant every day and talk to it.
- Colour pictures and do simple craft with paper.
- Sing and dance to your favourite songs.

These fun activities will help you become smarter, stronger, and happier!

Points to Remember:

- All the work should be neatly compiled and handed over with to the class teacher in a well-labelled button folder (bearing the name and class of the student)
- Parents should kindly guide their children while doing the activities.
- Submit the completed holiday homework to your class teacher by 13th July, 2025.
