SCHOOL, UNNAO
SUMMER HOLIDAY
HOMEWORK**

CLASS: VI SESSION: 2025-26

Name: _____

Roll No.: _____

Dear Parents,

Greetings from GDGPS, Unnao

As parents, it is important to invest your time with children now. To cherish these moments, here is a list of suggested activities, which you can enjoy with your children.

- Establishing a weekly tradition like storytelling, cooking together, etc.
- Encourage your child to engage more in drawing, music, dance, to nurture their imagination.
- Letting the child care for a small plant
- Watching Educational Documentaries or visiting a museum
- Acknowledge your child's efforts, no matter how small, to boost their confidence

Dear Students,

Summer break is a wonderful opportunity to relax, recharge, and refocus. It's a time to learn more of things with the help of your parents like :

- Learning basic cooking skills
- Learning to keep your room organized
- Reading story books
- Taking care of a small plant
- Understanding cyber safety

To make the most of your summer break, we've prepared a set of engaging activities and worksheets that will keep you productively occupied. These activities will help you stay connected to learning, explore new concepts, and have fun while doing so.

Points to Remember:

- All the sheets should be well labelled.
- The work should be done neatly under the supervision of parents.
- The work in different subjects should be handed over to the concerned subject teacher latest by **13th July, 2025.**
- Revise Unit Test -1 syllabus and find the Unit Test -1 syllabus attached at the last page of this document.

I. Read the passage given below carefully and answer the questions that follow:-

In the heart of the forest, nestled among towering trees, lies a hidden treasure waiting to be discovered. Deep within the lush greenery, a small stream gurgles gently, its crystal-clear waters meandering through the moss-covered rocks. Birds chirp merrily overhead, adding to the symphony of nature.

As I wandered through the dense foliage, I stumbled upon a quaint little cottage, its thatched roof peeking out from behind a curtain of vines. Curiosity piqued, I approached cautiously, wondering who could inhabit such a secluded abode.

To my surprise, an elderly man emerged from the shadows, his weather-beaten face creased with a warm smile. Introducing himself as the guardian of the forest, he regaled me with tales of its wonders and mysteries.

As the sun dipped below the horizon, casting a golden glow over the treetops, I bid farewell to my newfound friend, grateful for the adventure that awaited me in this enchanted forest.
